

OCTOBER 27-OCTOBER 30

MS. CHRIS- MATH AND SCIENCE

HONORS ACADEMY OF LITERATURE

Common Core State Standards

- Mathematical Practice Standards:
 1. Make sense of problems and persevere in solving them
 2. Reason abstractly and quantitatively
 3. Construct viable arguments
 4. Model with Mathematics
 5. Use appropriate tools strategically
 6. Attend to precision
 7. Look for and make use of structure
 8. Look for and express regularity in repeated reasoning

Operations and Algebraic Thinking:

- CCSS.Math.Content.1.OA.A1: Use addition and subtraction to within 20 to solve word problems
- CCSS.Math.Content.2.OA.A.1
Use addition and subtraction within 100 to solve one- and two-step word problems involving situations of adding to, taking from, putting together, taking apart, and comparing, with unknowns in all positions, e.g., by using drawings and equations with a symbol for the unknown number to represent the problem.
- CCSS.Math.Content.1.MD.C.4: Organize, represent, and interpret data with up to three categories
- CCSS.Math.Content.2.MD.D.10: Draw a picture graph and a bar graph .
- Science: Engineering Design:

K-2-ETS1-1 Ask Questions, make observations, gather information

K-2-ETS1-2 Develop a simple sketch, drawing, or physical model

K-2-ETS1-3: Analyze Data from test of two objects

Objectives and Validation

- Objective: Students will be able to transfer information into a graph
Measure: Student created graphs in math notebook
- Objective: Students will be able to discuss their thinking and how they arrived at an answer during Mental Math Strategy time.
Measure: Students are discussing and listening to their peers for possible math strategies.
- Objective: Students will be able to measure and compare pumpkin circumference and identify the parts of a pumpkin, comparing between apples and pumpkins
Measure: Student completed activity

In-class Graded Assignments:

Daily Journal entries

Small group assignments

Homework Graded Assignments :

Math Daily Homework Sheet

Mini-Lesson Topics

Number Stories

Graphs

Problem Solving strategies: Counting on

Science: The Runaway Pumpkin

* See your child's Developmental Education Plan for one-on-one and small group instruction
