MS. CHRIS- MATH AND SCIENCE

HONORS ACADEMY OF LITERATURE

Common Core State Standards

<u>Mathematical Practice Standards:</u>

- 1. Make sense of problems and persevere in solving them
- 2. Reason abstractly and quantitatively
- 3. Construct viable arguments
- 4. Model with Mathematics
- 5. Use appropriate tools strategically
- 6. Attend to precision
- 7. Look for and make use of structure
- 8. Look for and express regularity in repeated reasoning

Operations and Algebraic Thinking:

- CCSS.Math.Content.1.OA.A1: Use addition and subtraction to within 20 to solve word problems
- CCSS.Math.Content.2.OA.A.1 Use addition and subtraction within 100 to solve one- and two-step
 - word problems involving situations of adding to, taking from, putting together, taking apart, and comparing, with unknowns in all positions, e.g., by using drawings and equations with a symbol for the unknown number to represent the problem.
- CCSS.Math.Content.2.OA.C.4 Use addition to find the total number of objects arranged in rectangular arrays (up to 5x5) as a sum of equal addends
- CCSS.Math.Content.NBT.2: Count within 1000; skip count by 5's, 10's, and 100's.
- Science: Engineering Design:
- K-2-ETS1-1 Ask Questions, make observations, gather information
- K-2-ETS1-2 Develop a simple sketch, drawing, or physical model

K-2-ETS1-3: Analyze Data from test of two objects

Objectives and Validation

• Objective: Students will be able to skip count using a number grid and describe patterns

Measure: Student work in journal

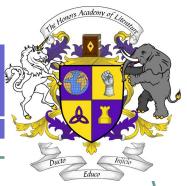

• Objective: Students will be able to discuss their thinking and how they arrived at an answer during Mental Math Strategy time.

Measure: Students are discussing and listening to their peers for possible math strategies.

Objective: Students will be able to predict an outcome and describe results

Measure: Student completed activity

See your child's Developmental Education Plan for one-on-one and small group instruction

In-class Graded Assignments:

Daily Journal entries

Small group assignments

Homework Graded Assignments :

Math Daily Homework Sheet

Mini-Lesson Topics

Math Arrays

Doubles

Skip Counting

Solids, Liquids, and Gases
